The Minister of Foreign Affairs read a resolution in reference to the death of the late Honorable Charles Coffin Harris, a member of this Council, as follows;

On the 2d of July instant, died the Honorable

Reign of Kalakaua King.

Honorable Charles Coffin Harris, a member of this Council, the Chief Justice of the Supreme Court and Chancellor of the Kingdom, Grand Cross of the Royal Orders of Kamehameha and Kalakaua; and it is fitting that a minute be made in the records of the Privy Council expressing our appreciation of his character and services,

It is therefore Resolved,

That by the death of the said Charles Coffin Harris, His Majesty has lost a wise, faithful, experienced and upright Councilor and Officer. For many years in the service of the Hawaiian Government, holding in turn the Offices of Attorney General, Minister of Finance and Minister of Foreign Affairs, and Associate Justice of the Supreme Court, and since the year 1877 of Chief Justice and Chancellor, he had approved himself in all of them. At no time of his life were his services and counsel to the King and the country more valuable than at the time when he was suddenly removed by death. In the sentiment of this council his loss bereaves the Hawaiian Kingdom of an eminent public servant."

Whereas, the amount authorized by this Council on the 23rd day of March has proved inadequate to meet such expenditure, and

Whereas, it has been made to appear to this Council that at a Cabinet Council held by Her Royal Highness the Princess Regent on the 19th day of July A.D. 1881, all the Cabinet concurred in the following resolution;

"Resolved that the Minister of Interior be authorized to draw from the public Treasury whatever sum or sums of money may be necessary to defray the expenses incurred

incurred by the Hawaiian Government on account of the pestilence of small pox, said amount not to exceed the sum of $ 50.000. and that the Minister of Finance be authorized to pay such drafts from any monies in the public Treasury not specially appropriated.

After prayer, the Chief Justice administered the oath to the Hons. Jon^{a} Austin & J. B. Atherton

The minutes of meeting held July 7th 1887 were read and approved.

The Minister of Interior presented the following resolution,

"Whereas, one of the items for which an appropriation is regularly made in the Biennial

Appropriation

Appropriation Bill is for running expenses of steam-tugs; and

Whereas, Section 1 of the Appropriation Bill of 1886, appropriates money for the biennial fiscal period ending March 31st 1888; and

Whereas, by Section 3 of said Appropriation Bill, the Minister of Finance is authorized to continue to pay nearly all the regular expenses of the government, viz: Payments under the Civil List, Permanent Settlements, Post Office, Custom House, Pay of Physicians, Pay of Soldiers and Constables, Pay of School Teachers and Current Expenses of the Bureau of Education, the Board of Health, Expenses of the Fire Department, of the Supreme Court and Circuit Courts, Survey Department, Insane Asylum, General Aid to Queen's Hospital, Government Stocks and the Interest accruing thereon, the Support of Prisoners and Expenses of Leper Settlement, and

Expenses of Stm Tug "Elen"

Whereas, the item "running expenses of steam tugs" is not contained in such authorization; and,

Whereas, the officers and crew of the steam tug "Elen" have stated that they are unable and unwilling to continue to run the same without pay; and

Whereas, the withdrawal from use of said steam tug would be an injury to the shipping and other business interests of

the

the country, amounting to a public disaster; and

Whereas, Article 15 of the Constitution provides that no money shall be drawn from the public Treasury without the consent of the Legislature, except when between the sessions of the Legislature, the emergencies of war, invasion, rebellion, pestilence or other public disaster shall arise, and then not without the concurrence of all the Cabinet and of a majority of the whole Privy Council; now therefore be it,

Resolved, that in view of the foregoing facts, the payment by the Minister of Finance of the running expense of the steam-tug "Elen" until the 30th of June next, not to exceed the sum of Three Thousand dollars, is hereby concurred in by the Privy Council."

It appearing that a majority of the whole Privy Council was not present, and the question raised as to whether the Ministers being ex-officio members can form a part of the majority,

Cabinet Ministers

Hon. L. McCully moved the following resolution which was adopted;

"Resolved, that it is the sense of the Privy Council that Cabinet Ministers are to be considered members for the purpose of constituting a majority, when voting upon questions arising under Article 15 of the Constitution."

After prayer, the minutes of meeting held August 2d 1879 were read and approved.

The Minister of Finance submitted a statement, with vouchers, of the payments made by the Cabinet in accordance with the resolution passed by the Council at its meeting of August last, for expenses incident to the late insurrection. His Excellency stated that other claims have since been presented amounting

to

to $2507.90/100, and moved that a further allowance be provided.

The Minister of Interior, in supporting the motion submitted the following resolution;

Expenses July Insurrection

"Resolved by the Privy Council of State, the Cabinet assenting thereto, that the Minister of Finance is hereby authorized to pay from the Public Treasury an amount not to exceed the sum of Twenty seven hundred dollars, in liquidation of the various items of expense in connection with the Honolulu Fire Department, the Repairs to the Music Hall, and Repairs to the Telephone Lines, incident to the insurrection of July 30th 1889, as expressed in the statement hereto annexed, and other items of a similar character which may be hereafter presented for payment."

After a short discussion, the resolution was unanimously adopted. a majority of all the members of the Council being present.

The Attorney General then presented the following resolution, viz:

"Whereas, an armed insurrection against the authority of the King's Government occurred in Honolulu on the 30th day of July 1889; and

Albert Loomens

Whereas, Albert Loomens, a Belgian by birth, one of the persons so arrested and held, was duly tried upon an Indictment for Treason,

before

before the Supreme Court at the October term, on the 8th 9th 10th and 11th days of October 1889; and

Whereas, on the said 11th day of October 1889, in said Court, said Albert Loomens was by a jury of the country, found guilty and convicted of said charge of treason, and was by said jury recommended to the mercy of the Executive; and

Whereas, on the 25th day of October, instant, in pursuance of said conviction and of the law in such case made and provided, to wit, Chapter VI of the Penal Code, said Albert Loomens was sentenced by said Court to suffer the penalty of death, to wit, to be hanged by the neck until dead, within the walls of Oahu Prison, between the hours of eight o'clock in the morning and twelve o'clock at noon, on Monday the second day of December 1889, there being no other Statute penalty for said offense; and

Whereas, it appeared upon said trial that said Albert Loomens was not the prime mover or actor in said insurrection, and

Whereas, in the opinion of His Majesty's Privy Council of State, the death of said Albert Loomens in pursuance of said sentence, is not essential to the vindication of the law or the welfare of the State; and

Whereas, by the terms of Article 27 of the Constitution the King, by and with the

advice

advice of the Privy Council, and with the consent of the Cabinet, has the power to grant reprieves and pardons, after conviction, for all offenses except in case of impeachment; and

Whereas, in the opinion of His Majesty's Privy Council of State, the necessities of the case will be met by the reprieve of said Albert Loomens from the effect of said sentence and the imposition upon said Albert Loomens, in lieu thereof, of imprisonment at hard labor for a term of one year; Be it therefore

Resolved that the Privy Council do hereby advise His Majesty to reprieve the said Albert Loomens from the effect of said sentence, and to commute the same to a term of imprisonment at hard labor for one year."

A lengthy discussion ensued and several amendments were offered as to the term of imprisonment to be imposed. The Attorney General, having accepted the amendment offered by the Hon. W.C. Lowell that he (Albert Loomens) be banished from the country after the term of imprisonment, submitted the following proviso;

"Provided and it is an express condition of the commutation hereby advised that said Albert Loomens shall depart this Kingdom at the termination of such term of imprisonment and not thereafter return to the Kingdom

under

Reign of Kalakaua; King.

under pain of the revival of said original sentence against him".

By vote of the Council, the resolution as amended, was unanimously adopted.

Before adjourning the Council, the President enjoined upon the members, strict secrecy respecting the discussion on the above resolution.

The Minister of Finance then presented the

Reign of Liliuokalani: Queen.

the following resolution;

"After a reign longer than that of any other Sovereign of Hawaii but one, the earthly life of our beloved King Kalakaua was closed by death at 2.30 o'clock on Tuesday the 20th day of January 1891. in San Francisco, California, United States of America.

Failing health for some months past made it seem advisable that He should seek to regain it by a voyage to the more bracing climate of California and inspired with this hope He left His Kingdom in November last. The voyage and change of circumstances at first seemed to benefit Him but at length mortal disease appeared with increased vigor and He sunk to sleep scarce nine days ago in a foreign land. The friendly ship which the Hawaiian people were waiting for with expectant eyes came this morning bringing back, not their Sovereign in renewed health but alas, His lifeless remains. The decorations of loyal affection preparing for His reception are speedily changed into those of mourning, and we meet today in the impulse of a common sorrow.

His Late Majesty Kalakaua

The reign of our departed King was memorable as an era of remarkable and increasing prosperity. In the seventeen years of His reign now closed this Nation has made rapid strides in its material industries,

education

education and the arts of civilization.

But death comes alike to King and commoner and the seventh Sovereign of Hawaii has gone to join the roll of the illustrious dead; We humbly bow to the will of God. Therefore, be it

Resolved, that the Privy Council of State here assembled, join with His beloved Consort, His Royal Sister and Relatives, and the Hawaiian people, in expressing our great sorrow at this untimely decease of our late King;

Resolved, that the foregoing preamble and resolution be entered upon the records of the Privy Council and published in the newspapers of this city; and

Resolved, that the members of this Council wear the customary mourning for a period of thirty days."

The resolution was by vote of the Council, unanimously adopted.

The Attorney General presented the following resolution;

"Whereas at a Cabinet Council holden at the office of the Minister of Interior on the 29th day of January 1891, it was resolved that the Minister of Finance be directed to advance such sums of money as may be

required

required for the Funeral Expenses of the late Majesty Kalakaua, and

Whereas, it is required by the 15th Article of the Constitution that a majority of the whole Privy Council shall concur in the expenditure of money from the public Treasury between the sessions of the Legislature when the emergency shall arise requiring it; Therefore be it

Funeral Expenses

Resolved, That the concurrence of the Privy Council of State is hereby given to the Minister of Finance to draw from the public Treasury such sums of money not to exceed Fifteen Thousand dollars, as may be necessary for the purpose of defraying the Funeral Expenses of the late Majesty Kalakaua."

On motion the resolution was unanimously adopted.

There being no further business, Her Majesty adjourned the Council.

Otsuka.

Whereas, at a Term of the Circuit Court of the Second Judicial Circuit held at Wailuku in the island of Maui, on the 20th day of June 1892, Otsuka and Masuda, Japanese, were tried and convicted of the crime of Murder in the first degree, of one Yamamoto a Japanese, and sentenced to be executed; and

Whereas, in the opinion of the Cabinet it is thought that the said Otsuka is therefore a proper subject for executive clemency; now Therefore

Be it resolved that this Council do recommend to Her Majesty the Queen that the sentence of death heretofore passed upon the said Otsuka be commuted to imprisonment at hard labor for life."

After some remarks by Hon. A.F. Judd and Associate R.F. Bickerton favoring the resolution the motion by Hon J. Walker to adopt the same, was by vote of the Council unanimously agreed to.
